ADMINISTRATIVE CIVIL LIABILITY COMPLAINT NO. R5-2009-0545 FOR ASSESSMENT OF MANDATORY MINIMUM PENALTIES, SIERRA PACIFIC INDUSTRIES, ANDERSON DIVISION, SHASTA COUNTY

Enclosed is an Administrative Civil Liability Complaint (Complaint), issued pursuant to California Water Code (CWC) section 13385, for violations of Waste Discharge Requirements (WDRs) Order R5-2004-0100 by Sierra Pacific Industries, Anderson Division. The Complaint charges Sierra Pacific Industries, Anderson Division with administrative civil liability in the amount of **three thousand dollars (\$3,000)**, which represents the sum of the statutory Mandatory Minimum Penalties for an effluent limitation violation that occurred at the facility between 1 February 2009 and 28 February 2009.

Pursuant to CWC section 13323, Sierra Pacific Industries, Anderson Division may either pay the civil liability and waive its right to a hearing before the Central Valley Water Board, or may contest the Complaint and exercise its right to a hearing. Sierra Pacific Industries, Anderson Division has the right to a hearing before the Central Valley Water Board within 90 days of the service of the Complaint. If Sierra Pacific Industries, Anderson Division chooses to waive this right and settle the Complaint without a hearing, then a duly authorized agent must sign the enclosed waiver and submit it along with a check in the amount of **three thousand dollars (\$3,000)** to this office by **29 June 2009**. The Central Valley Water Board will consider submittal of the waiver and payment of the full penalty amount as a settlement of the Complaint. However, the settlement will only be considered effective after a 30-day period, starting from the date of this Complaint, during which time interested parties may comment on this action by submitting information to this office, attention Daniel L. Warner.

If the Central Valley Water Board does not receive a waiver and payment for the full amount by **29 June 2009**, then a hearing will be scheduled for the **13/14 August 2009** Central Valley Water Board meeting in Rancho Cordova. Specific notice about this hearing and its procedures will be provided under separate cover.

Any comments or evidence concerning the enclosed Complaint must be submitted to this office, attention Daniel L. Warner, so that they are received no later than **5 p.m. on 29 June 2009**. This includes material submitted by the Sierra Pacific Industries, Anderson Division to be considered at a hearing and material submitted by interested parties, including members of the public, who wish to comment on the proposed settlement. If the Central Valley Water Board does not hold a hearing on the matter, and the terms of the final settlement are not significantly different from those proposed in the enclosed Complaint, then there will not be additional opportunities for public comment on the proposed settlement. Written materials received after **5 p.m. on 29 June 2009** will not be accepted and will not be incorporated into the administrative record if doing so would prejudice any party.
